

# Parata BullsEye®

## AUTOMATIC TABLET SPLITTER

### PREMIUM TABLET SPLITTING ACCURACY WITH HANDS-FREE OPERATION

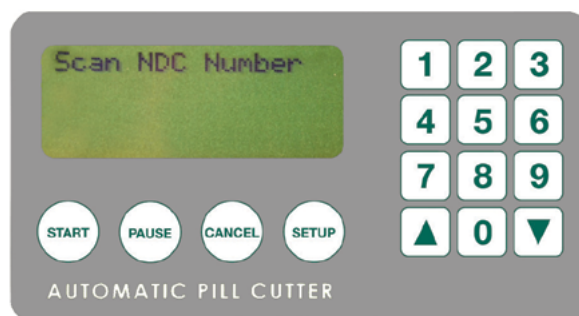

- Labor savings on manual splitting
- Space savings by reducing the quantity of strengths of medications you need to carry on your formulary
- Cost savings by splitting larger, comparably priced tablets into two equal half tablets
- Increases in patient safety by splitting tablets more precisely and ensuring patients get appropriate doses
- Split tablets for patients who have trouble swallowing larger tablets
- Easy-to-clean, small tabletop design
- Automation allows hands-free operation for quick and accurate bulk splitting

### SIMPLICITY IS KEY IN THREE STEPS

- Scan medication barcode

- Enter quantity
- Press start

- Medication dispenses into drawer below
